Re: **Notice of Proposed Class Action Settlement**
***Turnage, et al v. Oldham, et al*; Case No. 2:16-cv-02907-SHM/tmp (W.D. Tenn.)**

Ladies and Gentlemen:

On behalf of the parties in the above-referenced litigation, this letter is to provide notice, pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. §1711 *et seq.*, of a proposed class action settlement in this matter. Plaintiffs Scott Turnage, Deontae Tate, Jeremy S. Melton, Aubrey L. Brown, as administrator ad litem of the estate of Issacca Powell, Keith Burgess, Travis Boyd, Terrence Drain, and Kimberly Allen, individually and on behalf of themselves and the Settlement Class have entered into an April 2, 2021 Stipulation and Class Action Settlement Agreement and Release (the "Settlement Agreement"). The parties contemplate filing a motion for preliminary approval from the District Court for the Western District of Tennessee (the "Court") by no later than May 7, 2021. The motion for preliminary approval will request the certification, for settlement purposes only, of a class of individuals that were arrested and allegedly over-detained in the Shelby County Jail.

In accordance with the requirements of 28 U.S.C. § 1715, enclosed please find a zip drive containing the following documents and information associated with this action:

1. **28 U.S.C. § 1715(b)(1)-Complaint:** A copy of the Original Class Action Complaint and the current live pleading, the Seventh Amended Class Action Complaint, are attached. Copies of the various other amended complaints are electronically available via the Internet by navigating to www.pacer.uscourts.gov.
2. **28 U.S.C. § 1715(b)(2)-Notice of Any Scheduled Judicial Hearings:** A hearing on the Motion for Preliminary Approval of the Class Action Settlement has not been set. There are no other scheduled judicial hearings in this matter as of the date of this notice.
3. **28 U.S.C. § 1715(b)(3)-Notification to Class Members:** The proposed notices attached as Exhibits B and C to the Settlement Agreement, inform class members of the terms of the proposed class action settlement and class members' rights thereunder, including the right to request exclusion from the settlement.
4. **28 U.S.C. § 1715(b)(4)-Class Action Settlement Agreement:** The Settlement Agreement is attached hereto.
5. **28 U.S.C. § 1715(b)(5)-Any Settlement or Other Agreements:** Other than the Settlement Agreement identified in paragraph 4 above, no other settlements or other agreements have been contemporaneously made between the Parties.
6. **28 U.S.C. § 1715(b)(6)-Final Judgment:** The Court has not issued a Final Judgment or Notice of Dismissal as of the date of this notice.

7. **28 U.S.C. § 1715(b)(7)(B)-Estimate of Class Members:** It is not feasible to provide “the names of class member who reside in each State” or “the estimate[d] proportionate share of the claims of such member to the entire settlement,” as requested by 28 U.S.C. §1715(b)(7)(A). Defendants estimate that the total number of individuals that were arrested and detained in the Shelby County Jail during the Class Period to be 72,975. Importantly, only a small subset of these individuals will have been over-detained in a manner that would qualify them to be members of the settlement class. Defendants’ best estimate at this time is that approximately 4.8% or 3,500 of the total number of arrested and detained individuals will qualify as members of the proposed class. Based on this estimate and the percentages of total arrestees from each State, Defendants’ current best estimate of the number of class members residing in each State and the estimated proportionate share of the claims of such members are as follows:

- Of the 72,975 total people arrested, 83 or .11% are estimated to reside in Alabama; the estimated number of class members expected to reside in Alabama is 3 to 4 (.11% of the estimated 3,500 class members).
